## FROM THE DESK OF THE CEO

### A Visit from Senator Braun

For the past 9 years, I have been privileged to serve on the Board of Directors of the Indiana Credit Union League (ICUL). The ICUL is the trade association representing Indiana credit unions and they assist credit unions in several ways. They provide consultation, legislative and regulatory support, public relations, operational

and technical assistance, education and training. One of the key roles of the ICUL is to help protect and further credit union interests.

The ICUL regularly works with elected officials to ensure credit unions are well represented not only within the State but on the National level as well. Recently, Senator Mike Braun made an official visit to our Corporate office to meet with members of our Board of Directors, Supervisory Committee and staff. Senator Braun listened to our concerns on upcoming issues facing credit unions and in turn explained the political activities and processes associated with those issues. We believe it's important to keep these lines of communication open to ensure future growth opportunities for credit unions, and we are appreciative to Senator Braun for taking the time to visit.

Crane Credit Union will continue to better serve you and our communities. Thank you for trusting us with your financial needs.

Sincerely,

**Kevin Sparks**  
President/CEO
