Answering the Call

When severe weather impacts a community, every act of kindness matters, whether it is big or small. Following the tornado that caused significant damage throughout the Bloomington area, the Monroe County Humane Association needed help cleaning up its property. Our Bloomington branch saw an opportunity to pitch in, and several employees volunteered their time to help with the cleanup.

They spent the day picking up small pieces of debris, including glass, plastic and other sharp fragments that could potentially harm the animals.

The team also provided drinks for the volunteers who came out to help with the cleanup.

Supporting the communities we serve is an important part of who we are, and sometimes that means simply showing up when our neighbors need a helping hand!

Getting Your Yard Ready for Winter

Before the first frost arrives, give your yard a little attention. Put away or winterize lawn equipment, drain garden hoses, shut off outdoor water access, clean up leaves and debris, and store patio furniture and other outdoor items. Improper winterization can lead to costly repairs.

Have a bigger project on your fall to-do list? A personal loan or Home Equity Line of Credit from Crane Credit Union could help you get it done before winter settles in. Contact us today to learn about financing options.

Fall Home Refresh

It's easy to decorate for fall while keeping it classy and budget friendly!

1. Add pillows or a cozy blanket in fall colors to make a space feel completely different!
2. A bowl of apples, a few small pumpkins, or candles can make a dining table or coffee table feel festive.
3. Look around your house for baskets, wooden trays, glass jars, books and other pieces that can be repurposed for the season.
4. Add things like apple slices, cinnamon sticks, cloves and orange peels to a pot of water and let it simmer for a cozy fall scent.
