## What You Need to Know about Overdrafts and Overdraft Fees

An overdraft occurs when you do not have enough money in your checking account to cover a transaction, but we pay it anyway. We can cover your overdrafts in two different ways:

1. We do have standard overdraft practices that come with your account.
2. We offer overdraft protection plans, such as a link to a share/savings account or overdraft line-of-credit, which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our standard overdraft practices.

### What are the standard overdraft practices that come with my account?

We do not authorize and pay overdrafts for the following type of transactions:

- ATM transactions

In addition, we do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- Everyday debit card transactions
- Checks and other transactions made using your checking account number, including ACH items
- Automatic bill payments

We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize and pay any type of transaction. If we do not authorize and pay an overdraft, your transaction will be declined. See enclosed Discretionary Overdraft Privilege Policy.

### What fees will I be charged if Crane Credit Union pays my overdraft?

Under our standard overdraft practices:

- We will charge you a fee of up to \$30 each time we pay an overdraft.
- There is a \$150 per day limit on the total fees we can charge you for overdrawing your account.

### What if I want Crane Credit Union to authorize and pay overdrafts using its discretionary overdraft protection plan?

If you want us to authorize and pay overdrafts on your checks, electronic fund transfers (EFT, ACH), automatic bill payments and/or everyday debit card transactions, please select one of the options below: complete, sign and date the form and present it at a branch or mail it to: Attn: ODP Dept., 1 West Gate Drive, Odon, IN 47562

---

If there are multiple owners on the account, either account owner can act on behalf of all owners on this account. Only one (1) account owner signature is needed to add or remove the overdraft coverage.

- I want the Credit Union to authorize and pay overdrafts on my checks, electronic fund transfers (EFT, ACH), automatic bill payments and everyday debit card transactions.\* **OR**
- I want the Credit Union to authorize and pay overdrafts **only** on my checks and electronic fund transfers (EFT, ACH) and automatic bill payments. \* **OR**
