Crane Credit Union Scholarship Winners

Crane Credit Union understands the importance of education and recognizes the rising costs in tuition. To help our members further their education, Crane awarded fourteen (14) \$1,200 scholarships to graduating high school seniors.

Applicants were evaluated on an application, academic profile, and essay. Applicants had to be members of Crane Credit Union for a minimum of three months and planning to enroll full-time in the fall of 2022 at a technical, two-year, or four-year college or university.

We are pleased to announce the recipients of the 2022 Crane Credit Union scholarships.
