Crane Federal Credit Union (CFCU) is pleased to announce scholarship opportunities for our members in 2015. CFCU understands the importance of education and recognizes the rising costs in tuition. So to help our members further their education, we will be awarding ten \$1,000 scholarships to graduating high school seniors. Applicants will be graded on the application, academic profile and essay. All graduating seniors who meet the following requirements are eligible to apply:

- Applicants must be members of CFCU for a minimum of three months prior to the date the scholarships are awarded.
- Applicants must be the primary member on the account.
- Applicants must be enrolled full-time in the fall of 2015 at a technical, two-year or four-year college or university.
- Applicants must have a minimum GPA of 2.0.

Applications will be available at all CFCU locations and on our website after January 15, 2015. Scholarship applications must be returned no later than March 1, 2015.
